Dartmouth Star Goes to Colgate

HANOVER, N. H., Feb. 7.—Wallace Maxfield, of Bloomfield, N. J., leading all-around athlete of the prep schools while at Mercersburg Academy last year, and since last Fall a student at Dartmouth, has left college and announces that he will transfer to Colgate. He is a fine football player, a fast sprinter and a remarkable weight thrower.

He won the junior national indoor shot-putting championship recently in Brooklyn, when he bettered the meet record for the twelve-pounder with a heave of 52 feet 4 1/2 inches.

NEW HAVEN, Ct., Feb. 7.—"With work and faith we can beat Harvard," said Head Coach Richard P. Armstrong to the one hundred candidates for the Yale varsity crew.

"If we had not had faith in years past, we would never have won the trophies you see here. Let me impress upon you that the problem before us is a big one—it would be folly to underestimate it. But we can beat Harvard if we work and believe."

McCooy-Carpentier to Box.
PARIS, Feb. 7.—The boxing match between Georges Carpentier, French heavyweight, and "Kid" McCooy, former welterweight champion of the world, has been set for March 14 in this city.

STAR ATHLETES CLASH IN BIG UNICORN GAMES

Athletes from all parts of the United States will compete in the great B. A. A. track meet which will be held in Mechanics building this evening. More than 400 track and field stars will be seen in action and it should not be surprising if one or more world indoor records were set by the stars.

Virtually all of the men who will take part in tonight's games are seasoned campaigners. They have won their spurs and are certain to leave themselves with glory this evening.

The three mile run, the Hunter mile and the special match race between Tom Hinton of the B. A. A. and Donald Lippincott of the University of Pennsylvania are the chief events in the program. Each of these contests is expected to be a thrilling affair.

FIN IN THREE MILE.
Hinton and Lippincott are one of the stars who will compete in the three mile race. The Finn is recognized as the world's greatest long distance runner and should carry the field along at a merry pace.

Revelation was one of the heroes of the 1912 Olympic games. He won the 1000 and 1500 yard races at those games and also took part in the cross-country race. The Finn has not been performing at his best this winter and as a result will not have things all his own way tonight.

The Irish-American A. C. runner who is believed to be the best field performer. They include Harry Smith of the University of Pennsylvania who will battle under the colors of the Long Island C. C. and Donald Lippincott who has been showing well in his meets in New York City.

There are also well known to Bostonians. Smith won the three mile event at the B. A. A. meet last year while he led all the long distance runners at the Irish-American A. C. meet last Saturday. He is performing in grand style this winter and his best performance was in the 1000 yard race at the Irish-American A. C. meet last Saturday.

Russell Spruett is the young man who recently set a new record in a race in New York. This test will prove that he will be a fast runner.

Kiviat has not competed in Boston since the Olympic trials in 1912. He is now in the Harvard stadium in New York and is able to travel at a fast pace.

KIVIA IN HUNTER MILE.
The Hunter mile is expected to be a hot race. It will be between Abel Kiviat of the Irish-American A. C. of New York and Harry Smith of the University of Pennsylvania.

Kiviat has already won the Hunter mile twice while heading himself in his class. He is a very fast runner and should be a contender for the permanent property of the Irish-American A. C. meet.

Kiviat is one of the greatest runners of modern times. He is able to run in races from the yards to two miles. He has won plenty of races and has also won a great deal of money.

Kiviat will start a favorite but there are many who believe that he will be a contender for the permanent property of the Irish-American A. C. meet.

HALPIN MEETS LIPPINCOTT.
Tom Halpin and Donald Lippincott will clash in the 1000 yard race. Halpin is a very fast runner and should be a contender for the permanent property of the Irish-American A. C. meet.

Halpin has made a remarkable record on the track during the past year. He has won more races and made faster times than any athlete in New England.

The Union captain is running better than ever this year and has made several world records. If the distance of tonight's race was 400 yards, there would not be anything to it but Halpin.

Halpin has made a remarkable record on the track during the past year. He has won more races and made faster times than any athlete in New England.

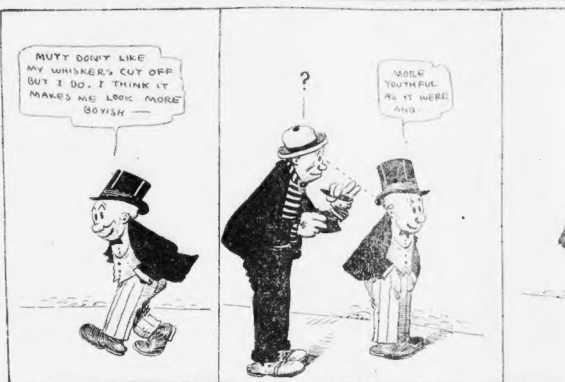

WHERE WE GOT OUR MUSIC.
The music which seems to prove that our ideas of rhythm and melody are not so simple as we think.

Two Irish-American Sevens Clash Tonight
The Irish-American A. C. of this city and the Irish-American A. C. of New York will clash at the Arena tonight in the first of a series of inter-city games. As both of these teams believe in playing the hard game, the clash should be a very exciting one.

LATEST STOCK MARKETS

By W. H. ROSS, Financial Editor

Stocks were weaker today and trading was of less volume. In New York leaders averaged about 1/2 lower at the close. There was a narrow and quiet market in Boston, where demand for copper was slackened. Grains declined more than a point. New York prices ranged downward at the opening, but grew firmer during the first hour. The further decline of stock prices today at the start had a depressing influence. Americans were irregular in London.

At the close, London New York was up 1/2 and Ditts & Superior 1/2. Among transactions were American Telephone & Telegraph, 1/2; American Express, 1/2; United Fruit, 1/2; Northern Pacific, 1/2; and the rest of the market.
